Gifts of **LIFE INSURANCE** allow you to turn a small gift now into a big gift in the future. You can make a gift of a new or existing life insurance policy, naming the Foundation as beneficiary and/ or owner. The ultimate value of your gift will be far more than the premiums you pay and you could enjoy tax savings now.

Through **RETIREMENT PLANS** you can name the Foundation as the beneficiary of your RRSP/ RRIF. Since this is an asset that resides outside of the estate, it is not subject to probate fees and the donation receipt may help offset other taxes on your estate.

Gifts of appreciated **SECURITIES** such as stocks, bonds, privately owned shares, and mutual funds are a cost effective way to support the Foundation. Tax on capital gains is eliminated when transferring appreciated securities directly to the Foundation.

Through a **CHARITABLE REMAINDER TRUST**, both your heirs and the Foundation can be honored. A transfer of cash or property to a trustee, who holds or manages the trust, will ensure your named beneficiaries will receive income from your property for life or a predetermined period of time. When the trust terminates, the remainder is transferred to the Foundation. Contact us or ask your lawyer, accountant or financial manager about your options for planned giving.

The Standards Program Trustmark is a mark of Imagine Canada used under licence by the Rick Hansen Foundation.

Planned Giving: Leave a Legacy of Accessibility and Inclusion

Rick Hansen Foundation  rickhansen.com

RICK AND THE RICK HANSEN FOUNDATION

Inspired by the belief that anything is possible, Rick Hansen began the Man In Motion World Tour in 1985, and wheeled around the world (over 40,000 km) over two years, two months and two days.

The Rick Hansen Foundation, established in 1988, has made transformational social change by removing barriers for people with disabilities, and funding research for the cure and care of people with spinal cord injury.

Today, the Foundation is focused on improving accessibility in the built environment, a fundamental barrier for people with disabilities. Our goal is to ensure the built environment in Canada is fully accessible by 2050.

Through a planned gift to the Rick Hansen Foundation, you can invest in a Canada that is accessible and inclusive for all.

ACCESSIBILITY IS A FUNDAMENTAL BARRIER

One in seven Canadian adults currently identify as having a disability. Due in part to an aging population, this number is projected to increase to as high as one in five by 2036. Removing physical barriers to accessibility is more important than ever.

When we remove barriers in the built environment, we are creating a country where all Canadians have a real and fair chance at success. Making our public spaces universally accessible unleashes our collective potential, creating an inclusive Canada for all. Please help ensure that The Rick Hansen Foundation continues to deliver programs and initiatives that improve accessibility and inclusion for people with disabilities by arranging a planned gift today.

LEAVE A LEGACY OF ACCESSIBILITY AND INCLUSION

A Planned Gift is a donation made outside of a donor's current income enabling you to contribute to the Foundation's future with little or no effect on your lifestyle today. Planned gifts usually take the form of a bequest in a Will, a life insurance policy, retirement plans, securities, an annuity or a gift of real property. A benefit of a Planned Gift is that it allows you to make a significant donation to the Rick Hansen Foundation while maximizing tax and other financial benefits. Big or small, the Foundation appreciates all the gifts it receives. Your investment allows us to deliver critical programs and initiatives that support accessibility and inclusion for people of all abilities.

“For thirty years I’ve witnessed the profound impact of Rick and the Foundation. I’m proud to contribute to its future through a legacy gift.”

— **George Gaffney**,
Retired, Executive Vice President,
RBC and Current Director, Rick
Hansen Foundation Board

HOW TO GIVE A PLANNED GIFT

Many planned gifts qualify the donor for a receipt for income tax purposes. Please ask us or your financial advisor for details.

Here are some examples of planned gifts:

A **BEQUEST** is a gift of money or property that you leave to the Foundation in your Will, the first step in creating a legacy. You can leave either a specific amount, an asset, or portion of your estate. A Will ensures your heirs, your life assets and the causes that are important to you are honoured and protected.
