# **WEATHER AROUND THE WORLD**

**RECOMMENDED FOR GRADES K—3**

Read the e-book of Roll On – Rick Hansen Wheels Around the World, or listen to the audiobook.

## ACTIVITY

While Rick Hansen was wheeling across the world, he experienced many different weather patterns. Some days he wheeled in the rain and wind, some days it was snowing, and on other days it was sunny and very, very hot.

Can you match the weather to what Rick is wearing in each photo or what is happening in the photo?

If you have a printer, print and cut out the photos and match them.
