

Buildings Without Barriers Challenge 2026

The Rick Hansen Foundation (RHF) is challenging commercial real estate leaders to take action for inclusion. Prove your commitment to accessibility by getting at least three of your buildings rated with RHF Accessibility Certification™ (RHFAC) between the rating period of May 2025 – August 2026.

Why Join the Challenge?

Lead by Example

Show your employees, visitors, and customers that accessibility matters.

Get Actionable Insights

Learn where your buildings stand, and how to improve, from RHF and industry peers.

Be Recognized

Earn national recognition for your efforts to remove barriers in the built environment.

AWARDS

Commitment Award:

Organization with the most buildings or pre-construction plans that are RHFAC rated

Most Improved Award:

Previously rated building with highest overall improvement in RHFAC rating

Innovation Award:

Building with the highest number of innovation points on their RHFAC rating

Culture of Accessibility Award:

Organization with the most number of RHFAC trained staff

NEW

2024 IMPACT

13 Organizations participated

82 Sites rated
